Cancer Research

WHAT ATTENDEES THINK ABOUT THE ILCS

HOW LIKELY ARE YOU TO ATTEND THE LUNG CANCER SUMMIT AGAIN?

NUMBERS BASED ON FEEDBACK SHEETS FROM ILCS 2024

WHAT PEOPLE SAY ABOUT THE ILCS

“

Certainly my preferred lung meeting of the year. And the ILCS is by far the best virtual one I've seen so far.

“

Probably one of the best 1 day conferences I have attended, not only engaging on the online platform but I was able to engage through Twitter, which many of the speakers use and this made me feel included in the discussions.
